## Flexshaft Basics

Do you like the flexshaft but not sure what to do with it?  
This class will teach you the basics and give you some pointers on what all those different little bits are used for.

Class covers finishing and polishing basics with an emphasis on using the flexshaft. Class is great for ALL students because they have access to flexshaft in class/open studio time.

Class is also free with the purchase of a flexshaft! OR fee can be applied to purchase of flexshaft (within 3 months!)

No supplies or tools required. This class is lecture only.

Prerequisite: none.
