

Viking Knit

Little is known about the exact history of Viking Knit, but it isn't knitting and probably wasn't developed by the Vikings... Either way, though, it is a wonderful technique that is easy to learn and very portable, making it a great choice for keeping your hands busy while you wait-anywhere! No experience is needed and you certainly don't need to know how to knit. Make necklaces, bracelets and more with this easy technique.

Prerequisite: none!

You will be able to purchase anything you need at Veberod Gem Gallery during class. Being able to see clearly is essential to your success, so bring any portable lighting and magnification you are accustomed to using (cheaters, OptiVisor, Telesight).

Supplies Required

Approx. ½ oz. 24ga wire
Endcaps
20 or 22ga wire for ends
Clasp

Tools used (tools marked with an *asterisk are regularly stocked in the student benches)

Wooden dowels, variety of small sizes

*Chain nose pliers
*Round nose pliers
*Flush Cutters
*Center punch
Masking/painter's tape
Magnification

Notes on tools/supplies

This list is designed to help you determine what to bring from home. Please **DO NOT** buy anything before class if you don't already have it. Many times there are factors that will determine your best choice and we will discuss all this at class. Bring what you have, and don't stress about what you don't.

We prefer not to offer kits for our classes. We try to encourage students to pick equipment and supplies (stones, beads etc.) based on their individual creativity. Often there are several options available and you may have some items already.

Please **mark** tools from home so they are identifiable as your own. If you have any questions regarding the cost of tools, supplies or anything else about the class, please contact us at 952.595.8338.
